

Thanks for helping me save the city yesterday. I need your help again. There is an ***URGENT*** situation I've been made aware of that involves the theft of a critical supply of sustenance to a vulnerable population of youth. We must act quickly before the supply is lost forever! I need to make sure I have the right people for the job so let's communicate via Twitter Direct Message @CDFour . Send me the message 'Candy' and I will tell you more. I may ask you about the codes below so keep them handy.
